Leisure Options offers a range of holidays that provide learning and skill development opportunities for our travellers. We immerse ourselves in the communities we visit to provide experiences rich in culture, recreation, fun and socialisation.

## ACCOMMODATION

Leisure Options believes in using only 4 and 5 star luxury accommodation for its holidaymakers, including twin share accommodation on all cruises. This ensures the highest quality and comfort of your holiday. We can also arrange a single room if you prefer, however a single supplement applies.

## PRE/POST TOUR ACCOMMODATION PACKAGE

If you need an additional night of accommodation before or after your holiday, we can arrange it for you from \$495 per night. This includes staff support from 4.30 pm on the day prior/post travel through to your departure, dinner, bed and breakfast.

## AIRFARES

Airfares are NOT included in the advertised price of the holiday except where indicated. We encourage travellers to book holidays early so we can negotiate the best possible airfares on YOUR behalf. Leisure Options pays for carbon offset on all airfares to assist with greenhouse gas emission reduction.

## DEPARTURES

All advertised Leisure Options holidays depart from Melbourne. However, we are able to arrange for you to join the holiday on route or have a Tour Leader travel with you from your departure point. There may be an additional cost for this service.

## TRAVEL INSURANCE

Travel insurance is not included in the price of the holiday but we strongly recommend all travellers obtain insurance. Leisure Options staff will provide you with a quote and policy to suit each holiday. If you want insurance, you will need to complete the application before your holiday starts.

## TOUR LEADERS

Throughout your holiday, your Leisure Options Tour Leaders will play a really important role in making sure you have a great time, see all of the sights, and are safe and well looked after. Basically, they are there to make sure that you have the care and support you need so you can relax and enjoy your holiday!

All of our Tour Leaders have passed police checks, have current first aid certificates and have access to 24 hour nursing advice and support. Tour Leaders do not share rooms with travellers but will be available to you whenever you need them.

## ACTIVE NIGHT

If you need checking or intervention during the night (for example, due to a medical condition such as epilepsy or a history of nocturnal wandering) you will require an Active Night staff person during your holiday.

Leisure Options can arrange for Active Night support as part of planning your holiday. We take great care in selecting Active Night staff with appropriate qualifications and client-care experience. As not all holidaymakers require Active Nights, these costs are not included in the advertised prices of the holidays.

## LEISURE OPTIONS GUARANTEE

Leisure Options guarantee to run every advertised holiday that has at least one or more fully paid booking. This guarantee covers Leisure Options holidays all year round, helping to take the stress out of planning your next trip.

## THE LEISURE OPTIONS STORY

Leisure Options is an accredited tourism business that has been offering supported travel services for over 22 years to help realise the holiday dreams of travellers with disabilities. In that time we have grown from a small home based business to an award winning company offering over 80 holidays each year. Despite growing in scope and size Leisure Options remains a proud family owned and operated business that prides itself on offering premium, boutique holiday and travel experiences. Our focus is on making what is often perceived impossible, possible, by ensuring that our tours are inclusive, barrier free and most of all, fun.

The owners Gary and Cathy are both actively involved in the business and are passionate about providing accessible travel for all by removing the emotional and physical barriers to travel. Gary has 15 years of business acumen having owned and operated several businesses prior to Leisure Options as well working in senior management roles with ASX listed companies. He has completed a Certificate IV Disability, enjoys getting away on tour and thrives on steering the Leisure Options ship. Gary is heavily involved in the community holding down committee and coaching positions in football, cricket, surf lifesaving and fishing and has a real passion to ensure everyone has the opportunity to fulfil their goals and aspirations in all facets of life. Cathy is a Division 1 registered nurse with 30 year's experience in multiple settings including aged care, critical care and community nursing. She has completed her Certificate IV Disability and loves being involved in all aspects of the traveller's care. She is always available for advice and support and helps train the Leisure Options staff to provide exceptional levels of care and support.

Leisure Options understands that the introduction of the NDIS has caused some uncertainty about travel, holiday arrangements and funding but rest assured that Leisure Options has been approved as a registered disability service provider under the Disability Act 2006 providing services for persons with a disability for the National Disability Insurance Agency (NDIA).

To reward our loyal and valuable travellers Leisure Options is giving every traveller a FREE branded backpack for any holiday booked for travel prior to September 2017. The backpacks are stylish, sturdy, useful and a great keepsake from your holiday. Don't forget every traveller also receives a complimentary photo album posted to them at the completion of their tour. That's two great keepsakes to help you remember your holiday.

Building long term relationships with our travellers and their families and/or carers is something Leisure Options strongly believes in and we go to great lengths to ensure that everyone who deals with us enjoys a memorable and seamless experience. With an 80% traveller retention rate we believe our exceptional service is the reason our travellers return year after year. We hope you enjoy our latest holiday brochure and we look forward to helping you make your holiday dreams come true in 2017/18.
